# WESTWOODS BBQ & SPICE CO

Fresno's own California-style barbeque with traditional flavors of the South, and a farm-to-table approach utilizing the Valley's abundant fresh resources. "Woods from the West" (Red Oak, Almond, Apple, and Mesquite) are used to float the delightful aroma of smoked meats throughout the restaurant. Westwoods BBQ & Spice Co. is the perfect place for friends, family, and business associates to gather. Our two primary service styles, full and counter, make us the right dining destination for any occasion. Take-out and curbside pick-up are also available for large family dinners, office staff personnel, or any special event.

We are looking for exceptional, hardworking individuals to become part of our winning team. If you are naturally hospitality-oriented and have a unique level of charisma, we invite YOU to apply!
